Draftsman

Type: Full-Time **Experience Required:** Minimum 3 years **Application Deadline:** 30 August, 2025 **Apply at:** info@imccgc.com

About the Role

IMCC is looking for a qualified **Draftsman** proficient in AutoCAD and construction drawings. You will be responsible for producing precise shop drawings, as-built drawings, and layout plans based on engineering specifications. The ideal candidate is technically skilled, accurate, and experienced in civil/construction drafting.

Responsibilities

- Prepare shop drawings and as-built drawings
- Collaborate with engineers and site teams
- Review and revise drawings based on field changes
- Ensure compliance with project specifications
- Maintain drawing logs and version control

Qualifications

- Proficiency in AutoCAD and drafting tools
- Minimum 3 years of construction drafting experience
- Ability to interpret civil and structural drawings
- Attention to detail and accuracy
- Knowledge of UAE construction standards is a plus

What We Offer

- Diverse projects across the UAE
- Supportive technical team environment
- Skill-building and career development
- Competitive salary
