Planning Engineer

Type: Full-Time

Experience Required: Minimum 5 years (UAE experience preferred)

Application Deadline: 30 August, 2025

Apply at: info@imccgc.com

About the Role

IMCC Transport & General Contract LLC is seeking a skilled **Planning Engineer** to oversee and coordinate project planning activities using Primavera (P6). You will be responsible for preparing project schedules, monitoring progress, and ensuring resource efficiency across infrastructure projects.

This role requires strong analytical thinking, proficiency in planning software, and a keen eye for detail to ensure timely project execution.

Responsibilities

- Develop and update project schedules using Primavera (P6)
- Monitor project progress and prepare regular reports
- Coordinate with project managers and site teams
- Allocate resources and track productivity
- Identify delays and propose corrective actions

Qualifications

- Bachelor's Degree in Civil Engineering or related field
- Minimum 5 years of experience in project planning (UAE preferred)
- Proficiency in Primavera (P6)
- Strong knowledge of project lifecycle and planning tools
- Excellent communication and reporting skills

What We Offer

- Career growth with a respected industry leader
- Engaging work on major infrastructure projects
- Supportive team environment
- Competitive salary and benefits
