Surveyor

Type: Full-Time

Experience Required: Minimum 3 years (UAE experience preferred)

Application Deadline: 30 August, 2025

Apply at: info@imccgc.com

About the Role

We are hiring an experienced **Surveyor** to perform accurate site measurements and coordinate survey work across infrastructure and civil projects. You will be using modern equipment like total stations and GPS for land and layout surveys.

The role requires technical precision and a strong understanding of construction site requirements.

Responsibilities

- Conduct land and site surveys using total station and GPS
- Prepare and verify survey drawings and reports
- Coordinate with project engineers and site supervisors
- Ensure accuracy in layout marking and measurements
- Maintain survey records and documentation

Qualifications

- Diploma or Degree in Surveying or related field
- Minimum 3 years of UAE surveying experience
- Skilled in AutoCAD for survey drawings
- Experience with total stations and GPS equipment
- Strong attention to detail

What We Offer

- Challenging and rewarding fieldwork
- Work on landmark projects in Dubai
- Professional growth opportunities
- Competitive pay and allowances
